

CAMP PEMIGEWASSETT

Alumni Work Weekend 2014 Friday, June 13 – Sunday, June 15

Former campers, staff and friends of Pemi, age 18 and older are invited to help kick-off Pemi's 107th season. Lend some of your time and a valuable hand to help wake up Pemi's facility after the long winter.

Accommodations:

Bunks will be available in the Senior Cabins and the brand new Upper 4 & 5! Please bring your own bedding (pillow and sleeping bag or sheets / blankets; nights can be cold). Restroom facilities, including the shower house will be available.

Work Weekend Projects:

There will be a variety of projects available for all ages and abilities as every willing hand will be greatly appreciated. We will work in groups, with all tools and equipment provided by Pemi.

Types of Projects:

As Pemi thaws during the spring months, we'll see the hand mother nature dealt us during this past winter. Though subject to change, some of the projects we anticipate working on are:

- Raking Senior and Junior Beach
- Cleaning and setting-up the Campfire circle
- Clearing the Pemi Hill Trail
- Painting Upper 4 & Upper 5
- Mulching wooded paths
- Painting Mess Hall tables (rainy weather)
- Archival work, organizing and identifying photos

Meals:

All meals will be provided by Camp Pemigewasset. See the schedule below for meal times and locations.

Cost:

There is no cost to attend the Alumni Work Weekend. We are grateful for your time, energy and love of Pemi.

Schedule:

Friday, June 13	2 - 5 6:00 7:30	Arrival Cookout (location TBD) Campfire Gathering
